PROFESSIONAL EXPERIENCE

Open Opportunity Fund (fka SoftBank Opportunity Fund)

New York, NY

Venture Capital Summer Analyst

June 2026 – August 2026

- Owned reporting and KPI tracking for portfolio companies within \$100MM Fund I and \$150MM Fund II; built internal AI workflows using Claude MCP, reducing time spent on data and portfolio company requests by 50%
- Authored and presented two sector landscapes for Fund II priority areas (Agentic infrastructure and Vertical SaaS) including thesis, competitive landscape, and emerging categories; sourced 30 companies aligning with each thesis

Select deal experience

- Network observability company – \$600K SAFE at \$6MM post-money cap, closed July 2026: Authored memo including market sizing, competitive positioning, and MOIC/returns analysis for Investment Committee panel
- AI Agent infrastructure company – \$1MM SAFE at \$5MM post-money cap, pending: Built MOIC, comparables and revenue projection models using CapIQ and VDR data to inform Investment Committee decision

Holowand (Holowand.world)

Los Angeles, CA

Co-founder; Founding PM

March 2026 – Present

- Building an AI-native game design engine; part of *LavaLab* (USC's premier startup incubator – usclavalab.org)
- Conducted weekly playtesting with 100+ users; directed pitches to VCs and Jamie Siminoff (Founder of Ring)

AdmitPeer

Los Angeles, CA

Founder and Owner

May 2025 – Jan 2026

- Founded and scaled college consulting practice focusing on providing personalized admissions help by matching student mentors with high school students; managed P&L Responsibilities, go-to-market and retention strategies
- Led a team of 10 college consultants, and retained relations with 30+ parents/clients; \$40000+ in ARR

AcuraStem

Los Angeles, CA

Summer Intern (Strategy and Investor Relations)

July 2025 – August 2025

- Built agentic AI workflow for investor prospecting; secured meetings with Qatalyst, JLL and Pear (\$45MM Series A)
- Managed VDR and facilitated due diligence; created pitch decks and presented executive summaries to C-suite
- Secured \$5MM in non-dilutive capital to study lead drug assets and targets (ASOs, UNC13A, etc) from NIH/DoD

LEADERSHIP AND CAMPUS INVOLVEMENT

180 Degrees Consulting @ USC

Los Angeles, CA

Chair of Social Impact (Executive Board) and Strategy Consultant

August 2025 – Present

- Created relationships with nonprofits by organizing 10 impact days every semester attended by 100+ students
- Implemented first-ever career-readiness program for a refugee-focused nonprofit, resulting in 30+ employer partnerships and job matches; authored landscape analysis and applications on private/public grants totalling \$15M

USC Undergraduate Student Government (USG): International Student Assembly (ISA)

Los Angeles, CA

Chair of Programming (Executive Board)

April 2025 – May 2026

- Managed a team of 20 interns to organize 3 large scale events (400+ participants); oversaw brand sponsorships, compliance, and managed a \$50,000 events budget between ISA and 10 culture-focused organizations
- Served as a liaison between a 12,000+ student constituency (25% of undergraduate population) and school board

SC Outfitters (USC Outdoors Club)

Los Angeles, CA

Trip Lead (Guide)

February 2025 – Present

- Widening outdoor access by organizing 4 overnight trips per semester; evaluated safety, difficulty and feasibility
- Generated revenue totalling \$10,000 for the club through trips and community events (bakesales, Pie-A-Guide, Runs)

Music For Joy Project

Hong Kong

Founder and Advisor

June 2022 – Present

- Founded initiative providing 700+ hours of 1-1 music lessons for underprivileged students across Hong Kong through a volunteer-teacher model, recruiting a founding team of 15 volunteers across 3+ partner schools
- Established partnerships with the largest charities in Hong Kong (BGCA, YWCA) and HK Housing Authority
